

# **LETTER TO THE EXECUTIVE DIRECTOR**

[www.patriotgolfday.com](http://www.patriotgolfday.com)

All,

Thank you for all of your efforts over the past couple of months to recruit Wing Commanders in your section on behalf of the Folds of Honor Foundation. The extra time you have committed in 2009 will make a tremendous impact on the lives of our military families who have made the ultimate sacrifice. On behalf of these families and the Folds of Honor Foundation, we are grateful for your dedication to this cause.

We have asked the Wing Commanders to begin making phone calls to fellow PGA members on Friday, May 8. They have been directed to contact you for a complete list of courses in your section and a list to-date of all facilities currently registered for Patriot Golf Day because of your access to the Section Management System (SMS). We appreciate your assistance as they begin this process, which could not be possible without your help.

Attached is a copy of the script we provided the Wing Commanders to guide them during their phone calls. It also has some general information about Patriot Golf Day should anyone have any basic questions. By the end of May we will have an online resource center with additional materials for all Wing Commanders and participating facilities at [www.patriotgolfday.com](http://www.patriotgolfday.com). In the meantime, if you or anyone you speak to has any questions, please contact Major Ed Pulido at [epulido@foldsofhonor.org](mailto:epulido@foldsofhonor.org) or call (918) 494 – 8823.

While we are reaching out directly to the Wing Commanders with this information, feel free to share this message with them as it will reinforce their importance to this year's Patriot Golf Day. Thanks again for all of your efforts on our behalf.

If you have not had the chance to send in the names and contact information for your Wing Commanders, please feel free to send them to Ryan Munson at [wingcommander@foldsofhonor.org](mailto:wingcommander@foldsofhonor.org)

Godspeed,

Major Dan "Noonan" Rooney, PGA
